

ABOUT THE PROGRAMME

On the occasion of National Pathology Day, the Department of Pathology, CDSIMER invites you to attend a CME on “Application of Cytogenetics and Immunophenotyping in Pathology”

Cytogenetic techniques are indispensable tools for diagnosing oncologic and non-oncologic disorders thus aiding accurate management. Immunophenotyping helps in identification of presence and proportion of specific cells of interest and helps in classifying hemato-oncological disorders. It is also useful in diagnosing non-neoplastic disorders, varying from immunodeficiency syndromes to Paroxysmal nocturnal hemoglobinuria, hereditary spherocytosis with wide applications in clinical pathology and immunohematology.

E - Poster Submission

- ☐ E posters to be submitted by 6th April 2023.
- ☐ Registration mandatory for E poster submission.
- ☐ Topic- Any field of Pathology
- ☐ Participation open for only post graduate students in Pathology
- ☐ Attractive prizes for the winners.
- ☐ Guidelines for E poster submission will be shared after registration.

For Queries regarding E -Posters please contact:

Dr Aakanksha Koul – 7006856615

Dr Keerthana R - 7892789449

PROGRAMME SCHEDULE

TIME	SESSIONS	SPEAKERS
8.30 – 8.50 am	Breakfast and Registration	
8.50-9.00 am	Introduction to programme	
9.00 – 9.40 am	Introduction to Cytogenetics	Dr. Vijaya Mysorekar Professor, CDSIMER
9.40-10.10 am	Principles of Flow cytometry	Dr. Nirupama Murali Professor and HOD, CDSIMER
10.10-10.40 am	Application of flow cytometry in Non-neoplastic disorders	Dr. Sindhura Lakshmi Associate Professor, KMC, Manipal
10.40 - 11.20am	Inauguration by Chief guest Dr Sayee Rajangam, Cytogeneticist St John's Medical College	
11.20 – 11.30 am	Tea break	
11.30- 12.20 pm	Cytogenetics & FISH in Oncology	Dr. T S Sundareshan Consultant Cytogeneticist Former consultant at Kidwai Memorial institute
12.20 - 12.50 pm	Molecular Lab- Setting up, Planning and Requirements	Dr. Aruna Korlimarla Principal Scientist, Research Sri Shankara Cancer Hospital and Research Centre
12.50- 1.45 pm	Lunch	
1.45- 2.30 pm	Approach to hematological malignancies	Dr. Madhumathi D S Senior consultant and Incharge of Flow cytometry Aster Referral Laboratory
2.30- 3.10 pm	Cytogenetics in Non-Oncological disorders	Dr. Angel Beula Senior Scientist, Central Research Laboratory, Ramaiah Medical College and Hospitals
3.10- 3.30 pm	Prizes for poster competition and certificate distribution	
3.30-4.00 pm	Vote of Thanks followed by High Tea	

Registration is mandatory

Delegates will be awarded 2 Credit points by the Karnataka Medical Council

Registration Details

Last date for registration: 6.04.2023

Registration fee: Online mode: INR 150/(Restricted to delegates outside Bangalore only)

Offline mode : INR 200/-

Spot Registration : INR 250/-

Account Name : Dayananda Sagar University
CDSIMER College.

Acc No : 39618157986

IFSC: SBIN0013388

Bank Name & Branch :

SBI, Harohalli

SCAN & PAY
